

BOYS & GIRLS CLUBS

On behalf of the Boys and Girls Club of Scott County...

We are organizing our annual benefit golf tournament, and we would like and need you to join our event whether through sponsorship or participation.

Here at the Boys & Girls Clubs of the Cumberland Plateau, we hope that we have earned your support by overcoming some of the challenges we have faced, employing some unique solutions, and making the differences we have made in the lives of the youth of our area.

Our Club has achieved more than anyone ever expected that it could. But as with any venture, the most important aspect of momentum is to keep it going in order to achieve higher goals. It is always more difficult to regain lost ground, and that is where our contributors come in. Your donation will be a much stronger investment now that these programs are in place, and we have seen what we can do practically in the lives of these kids.

There are many other organizations that would appreciate your contribution, but there may not be another one where you could make a more tangible difference in the life of a child who is allowed to spend time in a safe learning environment where he/she is taught to raise his expectations for him/herself.

The Tournament Format is a FourMan Scramble with three flights (Friday afternoon, Saturday morning, and Saturday afternoon). Lunch will be provided on both days.

Prizes are \$200 for each flight winning team and \$100 for the team in second place in each flight.

Enclosed is a sponsorship form that you may return to me at your convenience, or take your time as I will be calling soon to make sure that you do not have any questions.

We truly appreciate your time and consideration, and we look forward to seeing you and yours on the course.

Thank you,

Elizabeth K. Burress
